CAREERS: The Next Generation, The Calgary Board of Education, the Calgary Catholic School District, and our sponsor Kaizen Automotive Group [thank you](#) for participating in this year's RAP and Skilled Trade Fairs. You helped enable students to explore opportunities and learn the value of skilled trades, apprenticeships, and related careers.

A special thanks to the organizing committee, student volunteers, and **RAP Alumni** for speaking about their experiences. See the [photo album here](#).

A student wrote, "It was fantastic, really helpful, and I already started my RAP application!" - Declan T.
